WRITING *sp*

Recently I've been to the theatre in my city. In fact, I don't really love such kind of spending my spare time, but all my friends wanted me to watch one particular play because they said, I would love it. So I couldn't help going there. *pon, pon*

sp It was a small theatre in my native city. The play was called "Boris Godunov" by Pushkin. I couldn't expect anything interesting or exciting, but that was an ~~ex~~ incredibly cool play. *sp* The actors changed my impression of the poem, although I've read it before. As for their costumes, they were awesome, so I even imagined myself living in the 17th century. *sp*

ex It was the time of the story. According to a plot, people of the Russian country had no tsar, because the previous one ~~dead~~ died. So everyone was searching for ~~an~~ somebody to head them. *pon* One of the candidates was Boris Godunov.

sp I could retell it much longer, but you'd better read it by yourself. Or better watch a play in a theatre as I did. *ex*

sp In my mind, you'd be not to miss a chance to watch it.

ex I think it was best play I've ever seen. I wish I saw it earlier, but ~~the~~ since then I will go to the theatre more often. *ex*
