WRITING

Recently I was in theatre. I've watched a play called „Italian twins”. It's a comedy story. I want to write a review about it because I've found it interesting and it is good idea to tell other people about it.

It was a story about Pzanelto twins that were separated from each other after they were born. One of them, Alfredo, was like a little kid. He was very shy, unconfident, loopy. But another guy, Tonino, was extremely different. He was brave, charming and very clever. Brothers had never met until one accident. They came to Venice at the same time to meet with their brides and celebrate weddings. Alfredo came with his assistant, Arlekino, who had met Tonino and thought that he is Alfredo. They came to Alfredo's bride. And the real Alfredo had met Tonino's bride. As a result, they had swapped their brides. Then, somehow they had understood that something is going wrong, twins met and all had returned on it's place. Also, there were very beautiful

costumes on actors, that showed us this medieval time.

I liked this play very much. I was laughing my head off. It has non-vulgar intelligent humor so it can be watched by people of all ages. I would strongly recommend it.

I haven't been to the theatre for a while, to be honest, but I've recently seen a play on TV. It was a story called "Hobbit", played in one of the theatres of London, and I'll be glad to tell you about it!

gr. Play tells us about a little man - hobbit, named Bilbo Baggins. The origin of a play is a book by Tolkien. Bilbo lived carelessly in his house, but one day a wizard came to him, and he said that he would like Bilbo to help him to defeat the dragon which attacked a kingdom nearby. After thinking a while, Bilbo agreed to help.

It is pretty hard to make characters in a right way in this story, considering a fact that there are a lot of monsters in it, and it's practically impossible to make good costumes and to act them right, but actors did pretty well. Although I think some actors may have acted better, I still enjoyed watching a play.

But that problem doesn't affect main characters - they were brilliant! Amazing actors, beautiful costumes, it can really impress you a lot.

gr. Overall, I liked a play. It tells us a very interesting story, I believe it was a hard work to do it. With that said, I can recommend it to everyone who likes

I would like to tell about a theatre play I have been to recently. The name of the play is "Romeo and Juliet" and I really liked it. To start with, the characters were amazing. Though each had a sole purpose and role in play, they really felt like real living people. For example, the main characters - Romeo and Juliet were the core of the story, but they also showed their feelings for family and friends. However, I found side character little shallow. Continuing with costumes, I found them greatly and creatively done. Each side, ~~the~~ Romeo and Juliet along with their families had red and blue palettes in their costumes respectively and in the end Romeo and Juliet are shown in violet clothes as to point out their love and connection between them. And of course not to mention the story. Whole plot is spinning around young man Romeo and young woman Juliet, who fell in love with each other. The problem ~~was~~ ^{is} being their families, which were enemies from the beginning of time. I won't spoil the ~~sub~~reaction of watching this play for the first time, but I must say that to my opinion the plot is too common and overused. All in all, I would definitely recommend it for lovers of classic dramas and tragedies with a part of love story.

1st I've watched a play based on the book „Romeo and
lex Juliet“ by William Shakespeare this weekend on TV.
This love story is really popular. I would like to tell
you about this play.

log Firstly, costumes were incredibly beautiful. They
1p. perfectly matched the book. Also the characters were
amazing. Romeo and Juliet were very well-written.
I saw the development of each one through every
18x part of the play. By the way, actors did such a
great job. They were really emotional and made us
laugh and cry.

The story was breathtaking just as the book.
Romeo's and Juliet's families were arguing with each other. 18x
Once Romeo saw Juliet at the carnival and immediately
1gr fell in love. So is Juliet. Because of their families
1gr they can't be even friends so they decided to get
18x married secretly. They told this to their closest friends
and asked for help. At first, their plan seemed to
work out but a series of events ruined it. Their story
has a really deep and sad end.

I would highly recommend this play to everyone
because the author taught us a great lesson and
showed us what true love is. Furthermore, this play
is a good thing to watch with the whole family. 18x

gr. I have been in a theatre a few days ago. I have seen a play called „Hamlet”.
Though it was too tragic for me, I found this play very interesting and
lex. existing. I will explain why so.

lex. All the characters of the play are deep and different from each other.
100- The main hero, Hamlet, has inner conflict, and it is very interesting
sp. to see, how this character changes through the entire play. lex.

lex. I would like to say a few words about costumes. It may not be
oblivious, but they have a huge role in play. Costumes help to show
lex. the culture, bring us to the past of the country, where action takes
gr. sp. part in. v. gr. sp.

gr. The story I have seen was truly great. It is about Hamlet,
sp. who sees ghost of his father, who tells Hamlet truth about his
uncle. The main problems in this story are problems of honor and
truth. The plot of „Hamlet” is very deep. gr.

Many people say that „Hamlet” is a great play with a very deep plot.
And I will not argue with this opinion. I liked this play very
lex. much. If you don't like dark and tragic stories, where everybody
gr. lex. gr. lex. gr. lex. lex. lot of characters dies, you will probably should not see this play. But
if you like interesting stories with a deep plot, and you don't matter
how tragic they are, you will definitely like „Hamlet”!

There are a lot of very interesting plays in the world. All of them differ from each other. But every play has ^{gr}it's own charm.

Recently I have watched ^{gr}fantastic play. It is called „Alice in Wonderland“. First of all, I would like to say about the characters. ^{lex}Every ^{gr}characters has their own back story. All of them are just perfectly built! Secondly, I also would like to admit costumes. They were colorful and incredibly realistic! For some reason, I still believe that ~~they~~ ^{sp}every ^{gr}cosume is hand made.

The plot ^{gr}of the play was also ^{sp}exiting. It is based on the famous fairytale about Alice but ^{lex}have some modern aspects such as television, and so on. The main conflict is confrontation between Alice and her darkside - Midnight Alice. Midnight Alice wants to ruin the world, and Alice tries to stop her.

As for me, I think that this play

WRITING

Greetings.

Yesterday I saw really interesting play on TV. And now I see your request to write ~~about~~ a review about of the play I ^{saw} watched ~~to here~~ So I decided to do it.

Firstly, My play is Faust. Written by Goete, directed by George Battison. And first ^{thing is} of all I would like to talk about main ~~her~~ characters. Faust, devil and God. Faust is an old man. He is ~~scientist~~, and ~~suggested to be~~ very clever, but he does not think so. In his opinion ~~he~~ whole mankind and he are very stupid, and he disagree with everyone who has got another point of view. Devil is angry entity. He wants to ~~grab~~ get Faust's soul whatever it costs. And God is kind entity. ~~In~~ From He really thinks that Faust is good enough to go to Heaven. And ~~he~~ that was act.

Now let's we are going to talk about the plot. In the very beginning ~~the~~ ^{play} does the same thing - introduce. ~~beginning~~ we hear ~~really~~ interesting conversation between God and devil. ~~First one~~ says, that Faust should go to heaven, but devil strongly dislikes this idea and ^{Devil} offers ~~the~~ the deal. He ~~will~~ show to Faust the world he likes to stay in, and if Faust does not save himself from this trap, his soul comes to devil. And God agree. says yes.

Then we see Faust. He is very old and sad. He even wants to poison himself, but suddenly devil appears as a student and

says the very thing Faust wants to hear. ~~Old~~ They become a
But later he shows his pure view and offers the ~~the~~ same deal to
Faust. And ~~he agrees~~ ^{the answer is} affirmative. Later they
trip all over the human's history, and getting into a lot of
interesting situations, but in the end Faust wants to return,
and that means the defeat of devil. And Faust's soul. And
angels send Faust's soul to God.

And the last one - besides this fascinating plot, another key
thing ~~are~~ costumes costumes. They are really. They are
really great, I mean God is shining with white light and ~~this~~ ^{it}
looks awesome.

~~I strongly~~
To sum up I strongly recommend this play
to other people, ~~first of all~~ ^{play} mainly due to this story is based
on classic story, and such stories are always interesting for
everyone.

WRITING

Dear Theatre World,

Recently in your magazine I saw a notice saying that reviews on theatre plays are needed, so I decided to write mine.

Not a long time ago I watched a fabulous play. I watched it on a TV, because it was a live translation from London with famous British actors in main roles. It was W. Shakespeare's "Hamlet".

Playing actors were chosen perfectly. Also costumers did a great job. Costumes looked gorgeous on actors. Decorations have been so realistic that sometimes I thought that there are no decorations at all.

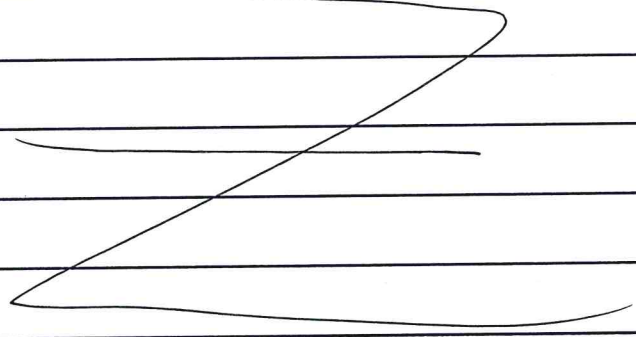

The most important thing is to get the story right. Producers did nicely on that. All the important parts were included. Only Hamlet's monologue was not in a right place.

The story itself is about Royal Family. There is a king, Hamlet's father, a queen - Hamlet's mother and Hamlet himself.

Later king's brother - Clavdiy poisons him and the king dies. No one knows that the king was murdered by his own brother. A few days later, the king in a ghost appearance comes to Hamlet and tells him the truth about Clavdiy.

I would strongly recommend that play to classic art lovers.

Great Love Story

Recently, I have been to the theatre with my family. ^{pr}It ^{pr}was my autumn holidays, so we decided to spend some time together and watch a new play. 'Romeo and Juliet' originally written by ^{sp}Shakespeare in our local theatre.

'Romeo and Juliet' is one of the most popular and worldwide known ^{stories} ~~poems~~ of humanity. There are a lot of plays and films based on it. It is a tragic story about the love of two young people that unfortunately, has no happy end. It tells us about ^{pr}Montekki and ^{pr}Capuletti families that are fighting with each other. But their teenage children Romeo and Juliet among the war fell in love and want to be together till the end of their lives. The story is really intriguing and has ^{the} unexpected end.

The play is well-made. It has ^{pr}interesting ^{lex}script. All characters are different ^t and has ^{pr} ^a great development through the play. There are also incredible decorations, ^{sp}especially ^{pr}actors' beautiful costumes that will really amaze you.

To sum up, I recommend this play for everyone. It is really impressive and will blow your mind, so do not miss the chance to see it!

This is my opinion about the play I have recently seen. Last Monday I went to the theatre with my family and we watched a play called "Romeo and Juliet" and really enjoyed ourselves.

All the actors and actresses were very talented and professional. They perfectly revealed their characters and made a great performance. Everyone's act was great except Lorenzo. Looking at this character caused nothing but loathing. It was really awful. Most of all I liked Juliet. The actress was so pretty and well-dressed, that I thought: "I'd like to become as beautiful as she." I ~~en~~ enjoyed the performance very much.

Speaking about the costumes, I would like to say that they were so colourful and bright, that every time I looked at them I got watery eyes. But, being free, these costumes suited the characters the best.

Consequently, the story was evocative and interesting. All in all, this play became one of my favourite and I recommend it to everyone, ^{who seems to be} It really worth watching, because during the performance everyone felt sad, happy, thrilled and even frightened.

Hello! I recently saw this notice on English-language magazine Theatre World for teenagers. And I wanted to write a review of the play I saw.

I have been to the theatre recently. I saw a play "Romeo and Julietta". It was wonderful! I haven't been to the theatre for ages. This play was very interesting. The ^{actors} characters were very talented and amazing. They have very real emotions. The costumes were very colourful and nice. The story is very tragic. It is about dangerous love. Two people can't love each other because they were from different families. And their families were cross with each other. The story ended and I was amazed for a long time. gr after it. All people in this theatre liked this play very much. And my young brother and sister were ~~so~~ so happy. Also this play has wonderful music and decorations. My parents also cried with me. I was very proud of people, who acted in this gr play. To my mind it is the best theatre play I have ever seen before. In the future I want to be ~~the~~ actor. The characters were very beautiful. I ~~imag~~ They were like I was ~~img~~ imagining when I read a book. In the future I want to be an actress. gr

In conclusion, I want to say that theatre is very good place to relax. Every person should go to the theatre!

Lately, there has been a lot of theatre plays on TV. That is why recently I was lucky enough to watch a play called "Hamlet". It is one of the most popular tragedies written by Shakespeare. And I want to share my honest opinion about it. gr.

We all know that the actors are the ones who help us understand the depth of the character. In my humble opinion, everyone was brilliant. Emotions and movements of the actors really helped to understand some of the characters. pun.

The costumes were amazing too, but I felt that they were a little bit too flashy for such a depressing play. Surely, I appreciate the contrasts between the looks and the ~~word~~ words of the characters but this time it just seemed wrong. pun. lex.

The story itself was spectacular and it made me ask myself a lot of questions so I think it was worth my time. It is such a wonderful feeling to rethink about it and say to myself "I loved every second of it." sp.

Watching "Hamlet" was an amazing experience. It sparked in my heart love for

I have been to the Shopkin theatre recently where I have watched a play ^{pr}to the novel of Turgenev ^{named} „Asya“

There were not many characters ^{pr}on a play but they were really well-developed ^{lex}. The main character is Asya. She is a gentle, good, brave and caring type of character. ~~Her lover~~ She believes in love and helps her ill mother. Her lover is a rich, self-centered and not very brave. But he thinks that he ^{pr}can change with Asya's help. The mother is a good person, too. She accepts their love and helps them ^{lex}how she can.

I also want to say that the costumes are stunning. They are wonderfull, and ^{pr}fits every character. I think the actors of the theatre enjoyed them too.

The story of „Asya“ is really interesting to watch. This is a story of love and broken hopes. I should warn everybody that it is a quite sad novel about two lovers. They met and ^{sp}introduced themselves to each other on the high street. The girl is trying to sell beautiful flowers and a boy comes to her to buy it for a bigger price to help her because she is poor. They fall in love ~~from~~ from the first sight and ^{pr}spent a night walking and looking at the beauties of ^{pr}a nature. They talk but not much. Then, he says that he ^{pr}need to go for some days. She is waiting for him. The result of this

travel was the lack of money and other valuable things which he had lost playing cards. When he returns he ^{pr}know that he can marry an old woman. So, who would he choose?

I ^{sp}thoroughly recommend you to see the play in the theatre. Do not miss it!

Recently I've been to theatre and seen a play called "My darkest days" written by a famous playwright Charlotte Sykes.

The play is based on a story about a young woman named Scarlett and tells us about her struggles and problems with socialization and communication ~~caused~~ by her unwilling to let somebody in her life because of her previous friendship which ~~made~~ her emotionless. In the middle of the story when Scarlett thinks she is hopeless she meets a boy named Wilson which resembles her a lot. He is a cold and heartless person who relies only on logic and rationality. Despite that, they start to like each other but both of them is frightened by unexpected feelings. Scarlett decides she needs to change and so does Wilson. They fight with fears together and eventually becoming an unbreakable couple.

The story is well-written and interesting because of unexpected plot twists. I would recommend ^{my play} it to see. It's modern, stylish and brilliant. ~~The actor was true to life~~ My favourite actor was on the stage too. My mum admired him greatly. ~~represented~~ We presented him flowers. I would like to become an actress. And I hope I would play on stage with him.
